Open to ages 8-14

\$60

Back by popular demand. Experience one fun filled day at camp to see if it is a good fit for your camper next year!

How it works

You will drop your camper off in the morning (exact times will be emailed to you after registration). Your camper will enjoy a day full of regular camp activities. Then you will pick up your camper before overnight campers head to cabins for the night (again, times will be sent after registration).

What if a camper wants to leave?

Camp staff will work with the camper to encourage participation, but parents will be called if the camper is in distress.

Can campers stay for overnight camp, if they like it?

No, our camp is planned in advance based on the numbers of campers registered. Day campers will all go home that night, but can join the full overnight camp adventure the following year.
